Crystal healing is a pseudoscientific alternative medicine technique that employs stones and crystals. Adherents of the technique claim that these have healing powers, although there is no scientific basis for this claim. In one method, the practitioner places crystals on different parts of the body, often corresponding to chakras; or else the practitioner places crystals around the body in an ...

The archetype of the hero or heroine discovering their true spiritual nature goes back thousands of years. The Greek's told the story of Orpheus who descended into the underworld to rescue his bride Eurydice from Hades. The Nordic people had their hero-warrior Beowulf, and the Sumerian's wrote of Inanna who battled her sister in the dark world.
